

Just A Little Lunch

Our Mission Statement: "To teach young adults how to get involved in volunteering in their community along with helping those who have food uncertainty"

Just A Little Lunch is a nonprofit organization helping feed those in need in the Dayton Community. This organization began in 2009 with John and Niki Lee wanting to teach their kids the importance of volunteering and the act of helping those less fortunate. 50 lunches were made that year in their kitchen and taken to one shelter in the Dayton area. Over the next few years this thoughtful act grew into a reality and Just A Little Lunch was created.

In 2016 over 3,300 lunches were made by 200+ volunteers of which over 50% of those volunteers were under the age of 18. These lunches were delivered to 9 shelters and churches in the Dayton area, including St. Vincent de Paul of Dayton, House of Bread and Daybreak to name a few.

Just A Little Lunch has been featured on WDTN News and in the Dayton Daily News for their community contributions and youth volunteers.

Now a 501(c)3 organization, Just A Little Lunch is looking to make 5,000 lunches and deliver to 15+ shelters and churches during this Thanksgiving Holiday season when there is very little support for feeding the homeless and less fortunate.

We are reaching out to the Dayton community to ask for donations to help us help these shelters and churches. See the attached sponsorship/donation form; any support from you is most appreciated.

Just A Little Lunch

Sponsorship Levels/Donations

Diamond Sponsor-

By sponsoring \$3,000 you receive:

- Highlighted recognition on our website with large sized logo
- Recognized on event shirts with large sized logo
- Recognition in all media releases
